## NEWS & EVENTS

### Labour Hero, Dr. Nguyen Thi Phuong Thao elected to the 12th central committee of the Vietnam Red Cross Society

On July 28 in Hanoi, the Vietnam Red Cross Society held the opening session of its 12th National Congress for the 2026–2031 term, marking the 80th anniversary of the Society's establishment (November 23, 1946 – November 23, 2026). General Secretary and President To Lam attended the Congress. The Congress elected Labour Hero Dr. Nguyen Thi Phuong Thao to the Central Committee of the Vietnam Red Cross Society for its 12th term, enabling her to continue contributing to humanitarian activities, social welfare, and community healthcare.

### Vietjet receives IATA Safety Leadership Charter, reaffirming its commitment to safety culture

On July 30, Vietjet was awarded the IATA Safety Leadership Charter at a ceremony held at Vietjet Plaza. The Charter was presented by Director Nico, IATA Regional Vice President for Asia-Pacific, to Vietjet CEO Nguyen Thanh Tam. The milestone reaffirms Vietjet's commitment to fostering a people-centered safety culture, promoting transparency, empowering employees, and continuously strengthening its aviation safety standards in line with international best practices.

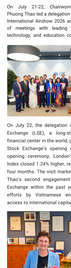

### Nurturing the future of the aviation industry from today

On July 13, the Vietnam Aviation Business Association (VABA) held its 4th Congress, for the 2026-2031 term. The General Assembly approved the Report summarizing the activities of the Board term (2020-2025), the direction and tasks for the fourth term (2026-2031), and elected the Executive Board consisting of 25 members and the Standing Committee consisting of 1 Chairman and 3 Vice Chairpersons.

Contributing to the success of the General Assembly, Vietjet Vice Chairwoman Ho Ngoc Yen Phuong, who was also elected Vice Chairwoman of VABA for the 2026–2031 term, stated that after the recovery period, the aviation industry needs to aim for sustainable development, enhance resilience, and create more value for the economy. She shared: "Nurturing the future of the aviation industry does not mean waiting for more favorable conditions, but rather proactively planning, preparing resources, and investing for the future." Vietjet always accompanies the Government and VABA in building a sustainable, modern, and competitive aviation ecosystem in Vietnam.

### Strengthening global cooperation to promote international capital connectivity in the United Kingdom

On July 21-22, Chairwoman - Dr. Nguyen Thi Phuong Thao led a delegation to attend the Farnborough International Airshow 2026 and participated in a series of meetings with leading global aviation, finance, technology, and education corporations.

On July 22, the delegation visited the London Stock Exchange (LSE), a long-standing and prestigious financial center in the world, and participated in the London Stock Exchange's opening ceremony. Following the opening ceremony, London's benchmark FTSE 100 Index closed 0.5% higher, reaching its highest level in four months. The visit marked Dr. Nguyen Thi Phuong Thao's second engagement with the London Stock Exchange within the past year, reflecting increasing efforts by Vietnamese enterprises to strengthen access to international capital.

Dr. Nguyen Thi Phuong Thao met with Professor Irene Tracey – ViceChancellor of Oxford University. The two sides discussed strengthening cooperation in education, research and support for Vietnam's development programmes, reviewed the Pioneer Scholarship Programme, and explored expanding collaboration in high-tech healthcare, environmental sustainability, development in artificial intelligence (AI), green technology, and other science and technology fields, with a focus on translating research into practical applications that create lasting value for society.

Vietjet and Rolls-Royce signed a TotalCare® service contract for the 40 Airbus A330neo fleet, marking a significant milestone in the strategic cooperation between the two companies. Under the agreement, Rolls-Royce will provide a comprehensive support package for Trent 7000 engines, including engine condition monitoring, maintenance, repair, overhaul (MRO), technical support, and operational performance optimization, contributing to improved operational reliability and optimized engine lifecycle costs.

## AVIATION NEWS

- The Civil Aviation Authority of Vietnam adjusted slot allocation parameters at Noi Bai and Tan Son Nhat airports for the summer 2026 peak season and the National Day holiday
- Despite higher jet fuel prices driven by tensions in the Middle East, Vietnam's aviation market maintained solid growth in the first half of 2026.
- Airports Corporation of Vietnam proposed an operational split between Long Thanh and Tan Son Nhat airports based on geographic regions and flight distance.
- Phu Quoc Airport completes first flight calibration on second runway. Lien Khuong Airport finishes calibration after four-month upgrade.

## INVESTOR RELATIONS

### Vietjet reports robust growth in 2026 first half

*Vietjet Aviation Joint Stock Company (HOSE: VJC) has reported its positive financial results for the second quarter and the first six months of 2026. Growth drivers included the continuous expansion of international route network, high transport demand, and a long-term investment strategy in a next-generation fleet order with 410 aircraft and to develop an integrated aviation ecosystem spanning passenger transport, ground handling, air freight, training, engineering, financial services, and technology.*

In Q2/2026 and the first six months combined, Vietjet transported over 6.2 million passengers across nearly 33,000 flights, and over 13.4 million passengers across 72,000 flights, respectively. Total cargo volume reached nearly 41,000 tonnes.

Vietjet currently operates 213 routes, including 46 domestic and 167 international routes. During the first six months of the year, the airline launched new international routes connecting to China, Sri Lanka, Kazakhstan, and the Czech Republic. It was also expanding its footprint across South Asia, Central Asia, and especially Europe, thereby bolstering its connectivity, investment, and tourism links between Vietnam and the world.

Apart from core transport activities, Vietjet continues to advance its integrated aviation growth model. AirportNEO officially commenced ground handling operations at major airports across Vietnam, aiming to better operational quality and on-time performance (OTP). Air cargo (Vietjet Cargo) continued to expand in response to growing regional logistics demand. Victoria Aviation Academy scaled up international-standard training programs, while the maintenance, repair, and overhaul (Vietjet Hangar in Long Thanh Airport) unit is being prepared for operation—impressive completing the value chain across operations, training, ground handling, logistics, and technical maintenance to strengthen competitive capacity and operational resilience.

### Vietjet's hybrid transformation earns first-ever Best Hybrid Airline title

Vietjet has achieved its first-ever Best Hybrid Airline accolade at the Korea Consumer Awards 2026 (KCA), recognizing a significant milestone in the airline's successful transformation to a hybrid carrier. The airline also received the Best Inflight Food Experience and Service Excellence Award, marking its second consecutive year of recognition at the annual awards and reaffirming its commitment to service excellence.

### Vietjet marks sixth consecutive year as "Best company to work for in Asia"

Vietjet continues to affirm the attractiveness of its international working environment by being honored among "Best companies to work for in Asia" at the HR Asia Awards 2026. "Best companies to work for in Asia" is a prestigious award in the field of human resources, honoring companies with outstanding HR practices, high levels of employee engagement and excellent workplace culture.

This year, Vietjet was also recognized for the first time with the "HR Asia Diversity, Equity & Inclusion Awards". This category recognizes outstanding companies for developing and implementing diversity, equity and inclusion (DEI) policies for their employees.

## OPERATION - TRAINING

### Strengthening resources and promoting technology application to ensure safety and quality

On July 15, the AMO Safety and Quality Seminar: Management – summarizing activities in the first 6 months and action plan for the second 6 months of 2026 – was chaired by CEO and Chairman of the Safety Committee Nguyen Thanh Son.

The conference reviewed the results of Safety and Quality work in the first half of the year, agreed on solutions to improve the effectiveness of the Safety and Quality Management System, and identified key tasks for the last half of 2026.

### Boeing handed over the 11th 737-8 aircraft to Vietjet

Boeing handed over the 11th 737-8 aircraft to Vietjet at Boeing's headquarters in Seattle, USA, in the presence of a delegation of Ho Chi Minh City leaders. Mr. Ta Quang Ngoc, CEO of Angelica Aviation Capital, attended the event. On this occasion, the Ho Chi Minh City leadership delegation worked with Boeing, discussing the strategic significance of Vietjet's aircraft purchase contracts for Vietnam-US Cooperation.

## COMMERCIAL ACTIVITIES

### Vietjet strengthens air connectivity and supports the development of Vietnam's Halal tourism ecosystem

On July 8, the Vietnam Halal Tourism Conference 2026, themed "Vietnam: A New Destination for Halal Tourism", took place in Khanh Hoa Province, aimed to advance Vietnam's Halal tourism ecosystem and cooperation with Muslim markets worldwide.

Ms. Ha Mary Vet, Commercial Director shared insights on enhancing connectivity and fostering the growth of the Halal ecosystem. Vietjet also introduced the Vietnam Halal Connect Initiative, an open cooperation platform designed to connect airlines, airports, local authorities, tourism businesses, Halal restaurants, Halal certification bodies, and technology partners in Vietnam and around the world.

### Vietjet strengthens cooperation in new markets: Czech Republic and Sri Lanka

On July 23, the Agent Conference in Prague (Czech Republic) took place, with the participation of the representatives from Vietjet, Mr. Do Xuan Quang, Mr. Ta Huu Thanh, representatives from Prague Airport, and many agents and partners. The conference provided information on products, services, cooperation policies, and plans for the Vietnam-Prague route.

## SOCIAL ACTIVITIES

### Vietjet commemorates the 79th War Invalids and Martyrs Day

On July 27, Vietjet held a ceremony at Vietjet Plaza to commemorate the 79th War Invalids and Martyrs Day (July 27, 1947 – July 27, 2026), in connection with flags from its Northern regional offices. The ceremony honored Vietnam's fallen heroes and expressed gratitude to war invalids, sick veterans, and those who rendered meritorious service to the nation. It also reaffirmed Vietjet's commitment to fostering patriotism, gratitude, and social responsibility.

### Vietjet and the Youth of the Nation extend the journey of "I Love My Homeland"

From July 12-15, the third leg of the "I Love My Homeland" journey reached Lung Cu (Tuyen Quang province) with the participation of leaders from the Central Committee of the Vietnam Youth Union, the Central Committee of the Vietnam Youth Federation, Tuyen Quang province, and Vietjet's Northern Regional Office Director, Duong Hoa Nam, marking meaningful activities. In conjunction with the program, Vietjet implemented social welfare activities while contributing to preserving and promoting cultural identity through visits and support for the brocade weaving cooperative at Lo Lo Chai Community Cultural Village.

### Vietjet and Vikki Digital Bank named Official Partners of the ASEAN United FC events

On July 13, Vietjet and Vikki Digital Bank have been respectively named the Official Airline Partner and Official Bank in Vietnam of the four ASEAN United FC events – the ASEAN Hyundai Cup", ASEAN Club Championship Shopee Cup", ASEAN Women's MSIG Cup" and ASEAN U23 Championship". The partnership was concluded by SPORTFIVE, the ASEAN Football Federation's (AFF) exclusive commercial partner.
