**VIETJET AIRCRAFT CARRYING THE SYMBOL OF VIETNAM TOURISM TAKES OFF WITH 100 MILLION PASSENGERS**

Within the framework of the Vietnam Tourism High-Level Forum on December 9, a symposium with the theme: "What does Vietnam do to develop aviation - wings for tourism" has attracted the participation of representatives from Ministry of Planning & Investment, CAAV, airlines, domestic and foreign experts in the fields.

Speaking at the conference, Mr. Chu Viet Cuong - Member of the Board of Directors of Vietjet delivered an impressive speech on the contribution of the private sector, including the significant contribution of Vietjet and proposed solutions. Bottlenecks are making the economy in general and tourism in particular hard to achieve breakthrough. Accordingly, it is necessary to coordinate with the State and enterprises, with foreign investment funds and participating banks to make further strides to meet the development needs of the aviation industry and the economy in the coming time. At the same time, proposing appropriate policies and mechanisms to encourage businesses to invest, take advantage of the opportunity of the 4.0 Revolution to improve productivity and quality across the society.

On the side of regulatory authorities, the CAAV also said it has taken proactive moves to address bottlenecks in the industry. Mr. Huu Huy Cuong, CAAV Deputy Director, said that the aviation infrastructure is currently lacking a lot of technical infrastructure, hangar ... many infrastructure projects are congested due to lack of investment capital. Socialization also needs an evaluation of the effectiveness to fully evaluate it.

Speaking at the forum, Minister of Planning and Investment Nguyen Tri Dung highly appreciated the achievements of the tourism and aviation industry in 2019, the forum is a special opportunity when the stakeholders concerned Each other finds the solutions in the fastest time, achieve the highest efficiency. The Minister proposed the organizers of the forum to synthesize ideas to report to the Prime Minister and relevant ministries and branches, committing to accompany and provide maximum support for Vietnam's tourism and aviation for sustainable development.

**THAILAND PRIME MINISTER CONGRATULATES VIETJET ON LAUNCHING HO CHI MINH CITY - PATTAYA SERVICE**

On December 4th, at the opening ceremony of the second passenger terminal at U-Tapao International Airport in Rayong Pattaya, Prime Minister of Thailand Prayut Chan-o-cha, visited and congratulated Vietjet on its new route Ho Chi Minh City - Pattaya. This is the first scheduled service between Thailand and Vietnam via U-Tapao airport, celebrating the new terminal and highly expected to further stimulate travel from both countries.

The new route will operate daily service with a flight time of one hour and thirty minutes per leg, starting from December 23, 2019. The daily flight departs from Ho Chi Minh City at 13:25 with the flight from U-Tapao taking off at 11:25.

Vietjet Vice President Nguyen Thi Phuong Thao said: "The new service Ho Chi Minh City - Pattaya will not only further expand Vietjet's flight network in Thailand but also offer travelers convenient connection at low fares to and from the top destination of Ho Chi Minh City in Vietnam. At Vietjet, our principle is to contribute to the development of tourism, trade and cultural exchange. So today, we would like to reaffirm our commitment to offering quality air transport service and more flying opportunities to the people of Vietnam, Thailand as well as international travelers. The announcement of our new service today has partially proven the delivery of our message and efforts".

Following the launch of Ho Chi Minh City-Pattaya route, Vietjet will operate the most routes and frequencies between Thailand and Vietnam with 8 direct routes totally, including Hanoi/Ho Chi Minh City/Da Nang/Hai Phong/Da Lat - Bangkok (Suvarnabhumi) and services from Ho Chi Minh City to Phuket/O Chiang Mai and Ho Chi Minh City-Utapao. The opening of the newest service is expected to actively promote the number of tourists between Ho Chi Minh City and the south of Vietnam with the Rayong and Pattaya area, a popular international tourist destination in Thailand, and bring more convenient connection for international visitors via Tan Son Nhat and U-Tapao International Airports
