

NEWS & EVENTS

Vietjet announces the first direct flight between Vietnam and Hiroshima

On May 19, 2023, to celebrate 50 years of Vietnam – Japan diplomatic relation and the 133rd birthday of President Ho Chi Minh, Vietjet announced the launch of the first-ever direct route connecting Vietnam and Hiroshima (Japan), also the airline's eighth route between the two countries. The ceremony was attended by Vietnam's Prime Minister Phạm Minh Chính and high-ranking officers from

Vietnam, Japan and Hiroshima Prefecture. The Hanoi – Hiroshima route will commence on July 19, 2023 with two flights weekly. CEO Dinh Viet Phuong said: "As a proud member of Keidanren, the biggest comprehensive economic federation in Japan, Vietjet is firmly committed to continuously expanding its network linking Japan and Vietnam. In 2023, Vietjet plans

to provide 1.5 million seats on flights between the two countries, comprehensively connecting Japan's biggest tourism and economic hubs to attractive destinations in Vietnam and many other regional countries." Vietjet currently operates seven direct routes connecting Hanoi and Ho Chi Minh City to Japanese cities such as Tokyo, Osaka, Nagoya and Fukuoka and Niigata, Shizuoka, Fukushima, etc.

Vietjet awarded Best Low-Cost Airline Onboard Hospitality in 2023

Vietjet has been honored as the "Best Low-Cost Airline Onboard Hospitality for 2023" for the first time and named again as "Best Ultra Low-Cost Airline 2023" for the 5th year in a row. The double international awards were selected by Airlineratings, the world's

renowned airline safety and product rating website. The airline is recognized for its newly launched SkyBoss Business class with all priorities and premium services on wide-body aircraft, including the comfy

leather flatbeds and incredible on-board cuisine experience. "Vietjet has been recognized for its constant efforts on diversifying new and quality aviation products. The airline has put the A330 wide-body aircraft into operation, offering the premium class of SkyBoss Business, which enhances the seamless pre-flight, in-flight, and post-flight's experiences of flyers. Those services are pioneering and revolutionary for a low-cost airline," said Airlineratings Editor-in-Chief Geoffrey Thomas. The Airlineratings "Airline Excellence Awards" has been hosted since 2013 to honor the world's best airlines. This year awards were judged by five editors with decades of industry experience, combines major safety and government audits, with key criteria that include: fleet age, passenger reviews, profitability, investment rating, product offerings and others. The world's best airline 2023 list also names Air New Zealand, Qatar Airways, Ethihad Airways, Singapore Airlines, etc.

Vietjet signed a Memorandum of Understanding with Wakayama prefecture (Japan)

On the occasion of the 50th anniversary of diplomatic relations between Vietnam and Japan, Vice Chairman of the Board of Directors Nguyen Anh Tuan and Vice Governor of Wakayama prefecture Mr. Shimo Hiroshi signed a memorandum of understanding on cooperation between Vietjet and Wakayama prefecture (Japan) in the presence of Mr. Nikai Toshihiro, Member of Parliament, Chairman of the Japan - Vietnam Parliamentary Friendship Alliance and Minister of Culture, Sports and Tourism Mr. Nguyen Van Hung.

Accordingly, Vietjet and Wakayama prefecture committed to cooperate in promoting direct flights from Vietnam to Nankai Shiraishi Airport in the form of charter flights. Minister Nguyen Van Hung congratulated the cooperation between Vietjet and Wakayama prefecture, committing to work with the Ministry of Transport of Vietnam to create favorable conditions for the parties.

Vietjet pioneers in technology innovation and digital transformation

On May 3, Vietjet collaborated with technology partners, Sovio, HDBank, Galaxy One... to organize Vietjet TechDay 2023. The participants listened to presentations about the importance of digital business transformation, development orientation and the goal of Vietjet's digital transformation process to bring new, diverse and convenient experiences to customers.

The event ended with the high determination of all representatives of leaders of divisions and partners to together pioneer technological innovation and digital transformation. President and Chairwoman Nguyen Thi Phuong Thao emphasized: "In the spirit of urgency, relevant departments need to effectively coordinate and contribute ideas to complete projects to build and pioneer aviation technology capacity with quality products and services".

INVESTOR RELATION

Vietjet approved the plan to issue 2,000 billion dong of corporate bonds

On May 30, 2023, the Board of Management of Vietjet Aviation Joint Stock Company (HOSE: VJC) had a resolution approving the plan to issue VND 2,000 billion of corporate bonds.

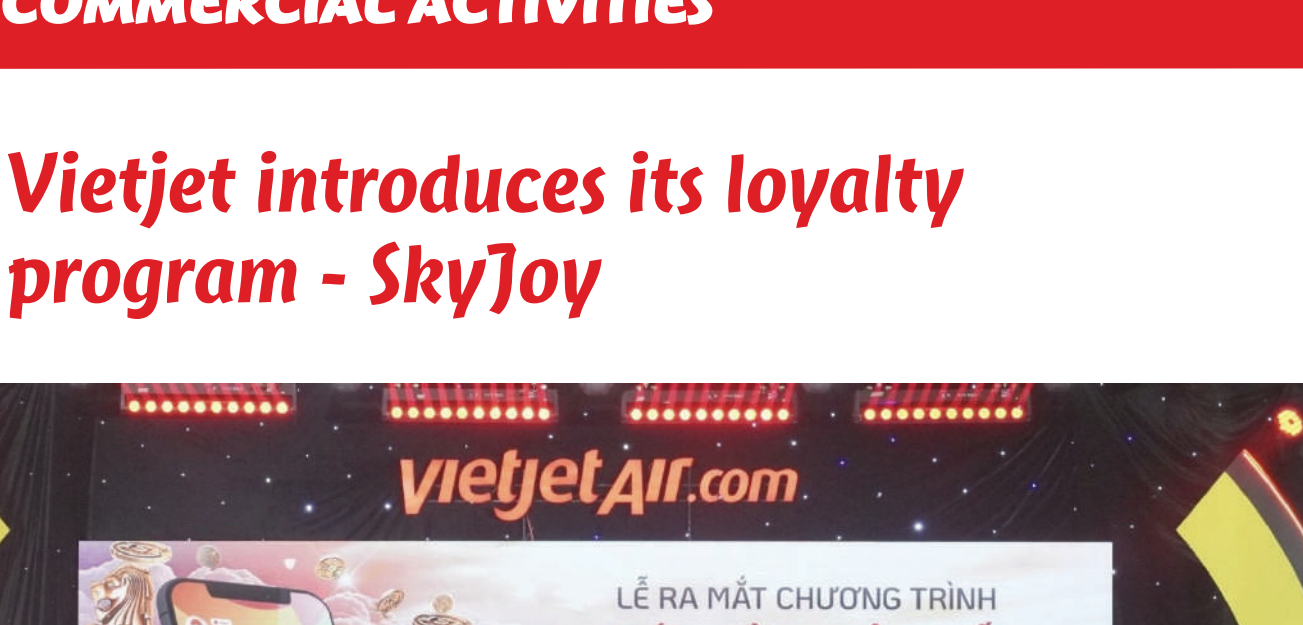

The purpose of the issuance is to supplement the company's capital for production and business activities, to cover operating expenses of petrol, port, flight management, technology, salary, insurance, payment of aircraft deposit and other expenses. The bond term is 60 months. The interest rate is 12%/year for the first two interest

periods, the remaining interest periods will calculate the interest rate equal to the sum of the maximum margin of 3.5%/year and the reference interest rate. The principal payment is a one-time payment at maturity. Issued bonds can be redeemed 12 months from the time of issuance or redeemed in accordance with

current law. The reference interest rate is the average 12-month personal postpaid deposit rate announced by 4 banks: Vietcombank; HDBank; Vietinbank, BIDV. Regarding the form of issuance, bonds are issued in the form of book-keeping through an issuing agent.

OPERATION AND TRAINING

The Civil Aviation Authority of Vietnam highly appreciates Vietjet's operation organization

From May 8 to 19, a delegation from the Civil Aviation Administration of Vietnam (CAAV) cooperated with Vietjet to organize a peri of aircraft inspection and assessment of the airline's operating system. Through a comprehensive evaluation process from the model of organization,

management, operation to training activities, maintenance, service quality, CAAV highly appreciated the organizational model and operations at Vietjet, and also gave positive suggestions for stronger development in the coming time.

Vietjet increases the frequency of flights to and from Melbourne, Sydney (Australia) to respond the travel, visiting relatives, traveling and studying abroad demands of people and tourists. Accordingly, the direct flights connecting Ho Chi Minh City and Melbourne (Australia) from September 17, Ho Chi Minh City and Sydney (Australia) from September 18 will increase the frequency of operation with 4 return flights per week.
