

NEWS & EVENTS

Vietnamese businesses have reached out to the region and the world

On the occasion of celebrating Vietnamese Entrepreneurs' Day October 13, Prime Minister Pham Minh Chinh and leaders of the Government, ministries and departments met with the business community.

Speaking at the event, President and Chairwoman Nguyen Thi Phuong Thao shared the excitement and honor of the business community for Resolution 41 issued on October 10, 2023 of the Politburo on promoting the role of Vietnamese businessmen in the new era.

Madame Nguyen Thi Phuong also wishes to continue to receive guidance, open policy and mechanism to create more supports, motivation, and confidence for Vietnamese businesses to steadily move forward with the spirit of innovation and creativity. On behalf of the business community, Madame Nguyen Thi Phuong Thao commits with the highest determination to constantly strive and contribute tirelessly for a strong Vietnam.

Vietjet has proposed to develop collaboration at the Asia-Pacific Civil Aviation Leadership Summit.

On October 16 and 17, CEO Dinh Viet Phuong led the Vietjet Delegation to attend the 58th Conference of Directors General of Civil Aviation Asia and Pacific Region hosted by the International Civil Aviation Organization (ICAO) in Dhaka, Bangladesh.

Vietjet is the only airline in the Asia-Pacific region to proactively attend this important event. CEO Dinh Viet Phuong and the delegation had meetings

and worked with aviation leaders from other countries to propose plans to expand the flight network, develop cooperation as well as express gratitude to aviation authorities for supporting Vietjet in recent times.

During the business trip, CEO Dinh Viet Phuong also had a meeting with Vietnamese Ambassador to Bangladesh Nguyen Manh Cuong, proposing leaders of diplomatic agencies and the government to support the opening of a flight connecting the two countries.

Summary of the summer competition program 2023 and honor the most outstanding departments and individuals

On October 28, CEO Dinh Viet Phuong, the Company's Board of Directors and nearly 200 representatives of departments throughout the Company attended the closing ceremony and honored outstanding departments and individuals in the competition program "Vietjet Pamper Passengers - Strive Our Best". With the spirit of hard work, dedication and pride in the name of Vietjet,

all front-line units have joined hands to achieve extremely impressive results in the past 3 months of summer, bringing the best flying experiences for passengers. The program has recorded 7211 compliment letters, which increases Customer satisfaction index to 85.1%. 12 excellent departments and 67 excellent individuals in the program were honored at the event.

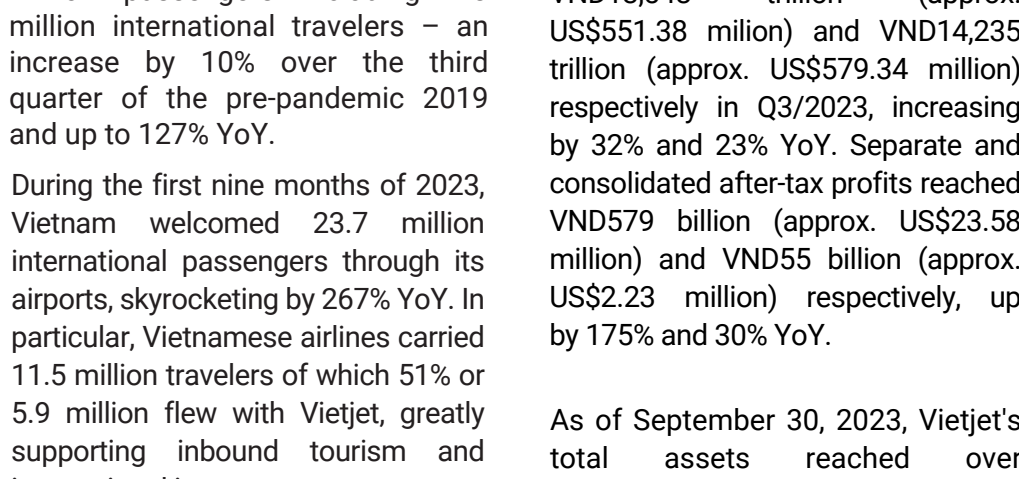

Armenian Embassy delegation visited and worked at Vietjet

On October 2, Commercial Director Nguyen Bac Toan had a meeting with the delegation of Armenian embassy led by Ambassador Extraordinary and Plenipotentiary Vahram Kazhoyan. Ambassador Vahram Kazhoyan congratulated Vietjet on the results achieved in recent years and hoped that the airline would soon open a flight connecting Vietnam - Armenia,

thereby promoting cooperative relationships in many fields between the two countries. The delegation was also impressed with the professional working environment and modern technology, especially in flight operations, and expressed hope to cooperate in aviation research and human resource training with Vietjet in the near future.

Vietjet's leadership attended the Vietnam - Saudi Arabia Business Summit

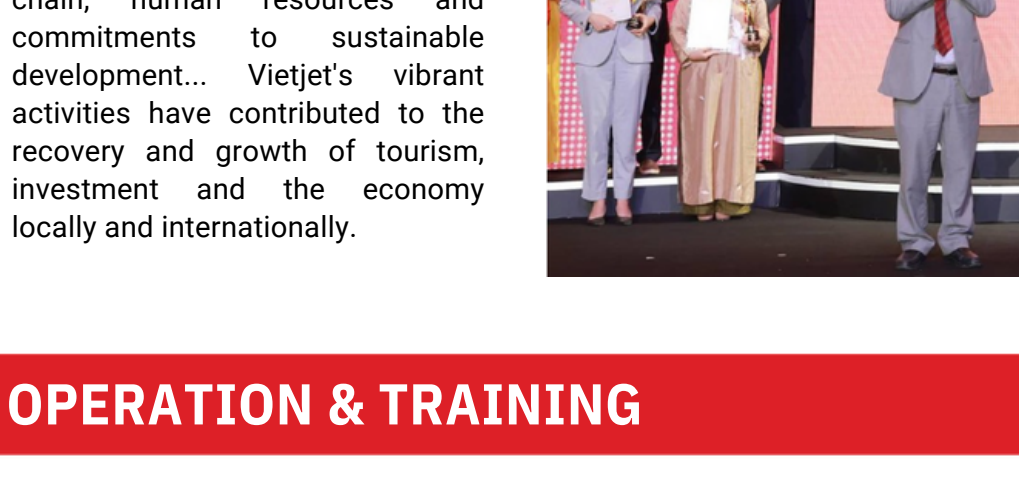

On October 19, Dr. Nguyen Thanh Hung and the Sovico, Vietjet delegation attended the Vietnam - Saudi Arabia Business Forum on the occasion of Prime Minister's visit in Saudi Arabia to attend the ASEAN Summit - Gulf Cooperation Council (GCC).

Dr. Nguyen Thanh Hung and the delegation also had meetings with Deputy Minister of Tourism of Saudi Arabia, Vietnamese Ambassador to Saudi Arabia and businesses here, to promote and expand cooperation, as well as create favorable conditions for opening flights connecting Vietnam - Saudi Arabia in the near future.

During the discussion on the path to Net Zero, Mrs. Ho Ngoc Yen Phuong, a Member of the Board of Directors and Deputy General Director of Vietjet Air, opened the session by presenting Vietjet's operational plans towards achieving zero emissions.

Vietjet embarked on its CO2 reduction journey over 10 years ago, when the airline had only three aircraft. Today, with over 100 aircraft in operation, Vietjet has seen significant growth in its ESG activities, contributing to the company's success by optimizing resources, fuel efficiency, and, most importantly, environmental protection and sustainable development.

Vietjet leaders promote cooperation with Russian businesses

During the official visit of the Chairman of the State Duma of the Federal Assembly of Russia, V.V. Volodin, within the framework of the working session with leading businesses from both countries leaders of Vietnam and Russia highly appreciated the potential for tourism connection and trade promotion in which Vietjet is currently an important factor.

Previously, Dr. Nguyen Thanh Hung and more than 4,000 delegates from more than 60 countries and territories attended the Russian Energy Week 2023 International Forum with the theme "New Reality of World Energy: Creating the Future" at capital Moscow.

Vietjet reports profit and expands international flight network in Q3/2023

Steering towards green and sustainable development with extensive international network, Vietjet Aviation Joint Stock Company (HoSE: VJC) has reported impressive performance over the first 9 months of 2023.

In Q3/2023, Vietjet safely operated 36,000 flights and transported 6.8 million passengers including 2.3 million international travelers - an increase by 10% over the third quarter of the pre-pandemic 2019 and up to 127% YoY.

During the first nine months of 2023, Vietnam welcomed 23.7 million international passengers through its airports, skyrocketing by 267% YoY. In particular, Vietnamese airlines carried 11.5 million travelers of which 51% or 5.9 million flew with Vietjet, greatly supporting inbound tourism and international investment.

Vietjet's fleet consists of 103 aircraft, including 18 operated by Thai Vietjet and 2 brand new aircraft being in delivery. The airline has reported a relatively high average seat utilization rate of over 85% and a technical reliability rate of 99.72%.

The total transported cargo volume reached 20,300 tonnes, growing by 76% YoY. Vietjet accounted for 23% of the cargo market share among Vietnamese airlines. The airline, in Q3/2023, opened seven new international routes, bringing the total number of routes to 125 (45 domestic and 80 international routes)

Vietjet's separate and consolidated revenues were reported at VND13,548 trillion (approx. US\$51.38 million) and VND14,235 trillion (approx. US\$579.34 million) respectively in Q3/2023, increasing by 32% and 23% YoY. Separate and consolidated after-tax profits reached VND579 billion (approx. US\$23.58 million) and VND55 billion (approx. US\$2.23 million) respectively, up by 175% and 30% YoY.

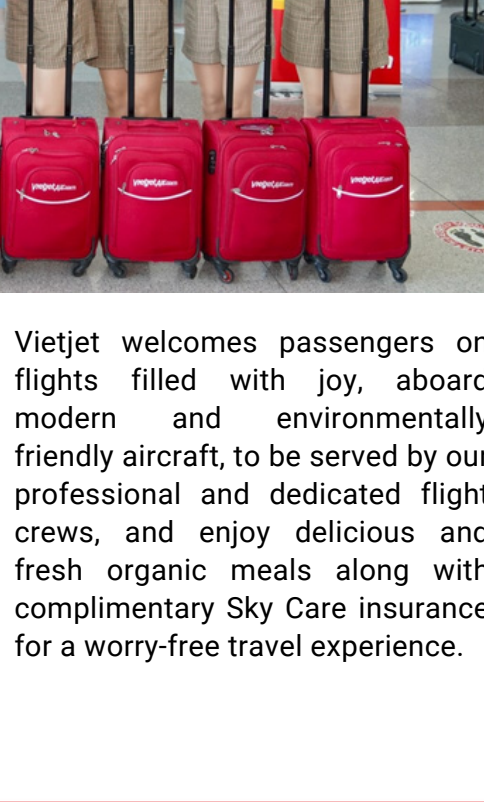

As of September 30, 2023, Vietjet's total assets reached over VND76,500 billion (approx. US\$3.11 billion). The debt-to-equity ratio stood at 1.5 times while the liquidity ratio was 1.4 times, resting within safe levels of the aviation industry.

Its cash and cash equivalents balance as of September 30, 2023 was recorded at VND2,077 billion (approx. US\$84.36 million). Such plus the working capital guarantee the company's immediate solvency. Vietjet, in the first nine months of 2023, has paid nearly VND3,750 billion (approx. US\$152.6 million) of direct and indirect taxes and fees.
